THE REASON WHY

We have sold more land in the Mesilla valley, just north of El Pase, in the past six months, and in fact the past six years, than any other two firms in El Pase or Las Crices. First, the fact that we have farmed over 25 years have and are new one of the largest farmers in the valley; (2nd) we have been selling land for the last six years, and our customers are all satisfied; (3rd) we believe we are better posted on the quality of soil and location as well as prices than any other firm in the city; (4th) we trent our customers in such a way that they are our friends afterwards; (5th) and that we are principally interested in settling up the valley. We will take pleasure in furnishing you with a list of our customers at any time.

These are some of the reasons; there are Phone 2008. C. Balley Land Co. Phone 2008. 306 Mesa Ave.
